NAIROBI

DEAR SIR/MADAM,

The Medical School Catholic Community is made up of catholic students in the college of Health Sciences. Our patron is Prof. Chokwe and we are supported by our respectable alumni and some faculty staff members including Dr CK Musau and the chair of the department of Surgery, Dr Julius Kiboi.

The above named have greatly supported us as community be it financially or physically or either by mentorship sessions. We have had various activities from 1st July 2022 to 30th June 2023. They include;

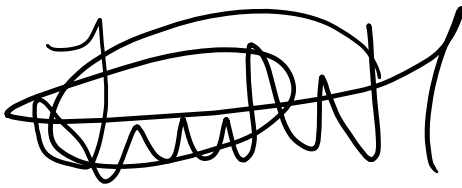

- 6th August 2022-A mentorship talk with Dr. Kiboi
- 17th September 2022- The patrons assisted us financially for the bonding event
- 19th November 2022- The alumni day mass took place. They assisted us financially and helped in the planning process

- 17th December 2022- We had the annual Carol service. The graced us with their presence and assisted us financially
- 25th March 2023- We had a mentorship session with them

The Medical School Catholic Community is greatly indebted to them.

Yours sincerely,

MSCC Publicity Secretary
